Here are Hawaii's 50 fastest-growing companies, based on percentage revenue growth between 2004 and 2006. PBN asked the chief executives of each company to list what challenges their businesses faced in growing so rapidly, and how they responded.

101 FINANCIAL

Money-management systems, debt elimination, real estate investment opportunities

Revenue growth 2004-2006: 599.44%

"Hiring enough of the right people to support our growth. So what we did was, instead of worrying about revenue growth, we focused on helping one family at a time."

Alan Akina, president
